Date: July 26, 2025

Agenda-1: Official Logo for Ohana

Inika shared 10 designs, each slightly different from the other. Due to the lack of consensus, she asked the members to put their preferences in the official WhatsApp group of Ohana and said that the decision should be made by the upcoming Monday, 5pm.

Agenda-2: Letterhead

Kumar requested Inika to design an official letterhead for the association as soon as possible and formally write mails to its members with the offer letters for their respective portfolios. Thereafter, she was asked by Kumar to write to the officials of the DST-CPR describing the goals and functions of Ohana and thereby requesting its authorisation.

Agenda-3: Trip Sponsorship

The idea of collection of funds and spending it on the trip of a female student was discussed by the members — selection of place/site, duration, partnership with travel agencies, safety, precautionary measures and damage control. Since no conclusion came out of this discussion, Kumar asked the members to give it some thought and design a framework for this.

Agenda-4: Launching courses

Kumar asked Nandani about the status of the launch of the Chinese language course. She said that she is working on it and also expressed her desire for learning and teaching of *Artificial Intelligence*. Kumar urged her to plan it in more detail.

Agenda-5: Film Screening

When asked about the status of framework design for film screening, Abhinav said that he has not yet worked in this direction as he has been more interested and engaged in writing film reviews. Kumar

suggested that he should explore the fields where he can reach out to people and communicate with them in more depth as nobody would like to read film reviews from a novice.

The next meeting is supposed to be held on Saturday, August 02, 2025.
