Agenda-1: Confirmation of Inauguration Date

Kumar suggested 24th of October for the official inauguration of Ohana. Nandani wondered out loud why such a later date was suggested. Kumar clarified that a lot of members are busy with their other engagements in between, which is why a date more convenient for all was suggested. The attendees later all agreed that 24th was an appropriate date. It was suggested that the absentees are also asked about their opinions before the date could be confirmed.

Agenda-2: Guest List

Kumar asked Abhinav if it was possible to invite the secretary of DST for the inauguration ceremony. Abhinav said he would try to contact her for the same. Kumar mentioned that a written invitation might be provided if required.

Agenda-3: Chinese Bridge Course

Inika and Nandani shared their ideas for the Chinese Bridge course. They plan to share a survival guide that can help absolute beginners survive in Chinese speaking countries. The course would cover topics such as 'Ordering food in a restaurant', 'Historical influences', 'Tourist spots', etc. while also covering grammatical usage for those already engaged with Chinese to a certain extent. Doubt clarification either

through emails or separate sessions would also be an option provided to the intermediate level students, Inika explained.

Miscellaneous:

- Inika urged Kumar to provide her with the points required for revision for the write ups.
- Abhinav shared that he had received no particular feedback for the rules and regulations he had shared for the photo gallery and competition. Kumar asked Abhinav to remind the members for their feedback.

The next meeting is supposed to take place on Saturday, October 11, 2025.
